

Template 05691

Do not modify the keyline layer. It will not print. Modifications will corrupt the file. Add your art to the "artwork" layer.

Add 1/8" Bleed - If art comes to the edge. Extend it out to the second line.

Outside view

An embossing die is available for the star area.

Holds either 8" x 10" or 8.5" x 11". Slits that are not needed may be removed.

(Note: On round or uneven area, the bleed may be squared. As long as there is at least 1/8" extra.)

bleed line, extend your art 1/8"
